GENERAL CHOIR (all kids who did not audition)-

“General Choir” is anyone that does not have a specialty part on stage. If you DO have a specialty part, you will NOT need a general choir outfit. You will just wear your character outfit in the loft when you are not on stage.

- Need to provide their own 60’s inspired outfit.
- When in doubt, jeans and a solid t-shirt is always a safe choice.

Dress like you are in the 60’s – (Please remember to cover shoulders and knees). Below are some examples. You can wear something as simple as a tie dye tee-shirt and jeans or go all out. Feel free to accessorize with colored glasses or bandanas etc.. Have fun with it!
